## BOOK SIGNING EVENTS

My in-person book signings never fail to draw a crowd, and I'm very pro-active about advertising my events to my 600 Facebook followers, 3,600 Twitter followers, and 1,000 newsletter subscribers.

Please email my events coordinator, Rebecca, with your choices. Her contact info is at the end of this letter.

## SALES OPTIONS

- **A cut of the sales.** In this version, you can buy books from me at wholesale price, add your margin, and make earnings from every book sold at your venue.
- **Publicity only.** In this version, you don't buy any books, but will hopefully make sales of your own merchandise based on people coming into your venue for the event.

## EVENT OPTIONS

- **Meet and Greet.** I'll set up in your store and greet customers as they browse. Please provide a table and chair. Very little space is required, but for best results, try to set up the space in a high-traffic area.

- **Book Reading with Q&A.** Set a time for your patrons to arrive, and have chairs set out for them. I'll read an excerpt from the series, talk about the making of the series, and open the floor to a Q&A. You'll need enough chairs for all, and enough space to accommodate the group size that you anticipate.

THANK YOU!

I'm very glad to have you carrying my books and/or hosting me for a book signing event! If you have any questions, please don't hesitate to get in touch with me or my events coordinator, Rebecca Paciorek. Our contact information is below.

Have a great day!
